## FAMILY CORNER

### ME & MY HOUSE

**Me & My House** is a practical game plan for Catholic parents who are struggling with all the things that parents struggle with. This video series will challenge you to do little things. To make little changes that will make a huge impact on your family. In this Catholic Parenting Program, you will discover the foundations that can strengthen your motherhood and fatherhood. You will learn the habits that can make parenting easier, and the habits that you absolutely want to avoid. In fact, we will get so practical that we'll discuss discipline and how to set boundaries, so that by the end of the program you will have a very clear sense of how you want to build your unique family culture with the children God has given you.

**MODULE 2:** In this module our host Patrick Sullivan examines both the good and bad habits that we parents can develop in light of our child's needs. This section is a must for everyone looking to build the foundation of a successful parenting game plan, as well as create the right environment to deal with clashes in the family.
