## FAMILY CORNER

### ME & MY HOUSE

**Me & My House** is a practical game plan for Catholic parents who are struggling with all the things that parents struggle with. This video series will challenge you to do little things. To make little changes that will make a huge impact on your family. In this Catholic Parenting Program, you will discover the foundations that can strengthen your motherhood and fatherhood. You will learn the habits that can make parenting easier, and the habits that you absolutely want to avoid. In fact, we will get so practical that we'll discuss discipline and how to set boundaries, so that by the end of the program you will have a very clear sense of how you want to build your unique family culture with the children God has given you.

**MODULE 3:** In this module our host Patrick Sullivan speaks with honesty as he gets into the nitty gritty of discipline and explains the mistakes we can all make that sabotage an effective game plan. At the same time, Patrick examines several disciplining strategies that do work and some that can work depending on our circumstances.
