From the dawn of human history, mankind has understood the value of a lifelong, faithful, procreative union of one man and one woman in marriage. This natural bond, which was raised to a Sacrament by Our Lord Jesus Christ, has been the foundation of Christian civilization for over two thousand years.

This powerful film represents the enduring Catholic vision and understanding of marriage and the natural law, including the beauty and meaning of human sexuality, family, and the gift of children. This film also addresses the challenges in marriage and family life that we face in our world today.

With presentations by Cardinal Raymond Burke, Bishop Mark Davies, Fr. Marcus Holden, Fr. Andrew Pinsent, Louise Kirk, Fiona Mansford and Edmund Adamus, this documentary is an essential resource for every Catholic parish, school, and home.
