Twenty Fifth Sunday in Ordinary Time

I ask that . . . prayers . . . be offered for everyone, for kings and for all in authority. (1 Timothy 2:1-2).

Pray for kings and other secular leaders? Why would the early Christians want to pray for the Roman authorities who were, at best, suspicious of them and, at worst, their persecutors? Yet St. Paul said such prayer was necessary, not only so that the community of believers might worship the Lord in peace, but also so that these leaders might come to know the Lord (1 Timothy 2:1-4). This is good advice for us to follow as well. So often we are disturbed by what we see and hear in the news. We might feel anger toward a particular leader or anxious about an uncertain future. We might also feel helpless, thinking that we can't make a difference in the events unfolding all around us.

But we *can* make a difference through "supplications, prayers, [and] petitions" (1 Timothy 2:1). In fact, that's the most powerful thing we can do! God hears our prayers, and through them, he can change hearts, turn situations around, and even bring good out of evil.

Just as importantly, those prayers can change *us*. Sometimes we get into an unhealthy pattern of reacting with anger or resentment when we read the news. Then we risk hardening our hearts, not only toward our leaders, but toward anyone who doesn't agree with our own views. But when we turn to God, he will show us who and what to pray for. He will also help us realize how much he loves all people, even those we consider our "enemies."

Next time you find yourself angry about a leader or a situation, try to let go of the anger and pray instead. The more you do this, the more you'll find your own heart softening. Not only that, but one prayer at a time, you'll be doing your part to change the world!

"Lord, give me the grace to pray for all those in authority."
