MISSION COOPERATIVE PROGRAM

The Archdiocesan Mission Cooperative Program will resume this year. This program plays an important role in connecting the parishes of the Archdiocese of Toronto with the Catholic Church in other parts of the world. Through this appeal, our local Catholic community learns about the mission works of the Church and will give the opportunity for our parishioners to offer financial support. The goals of the Mission Cooperative Program are to provide for food and health care for the very poor in the developing nations, as well as support the education of Missionaries. The representative from the Diocese of Singida in Tanzania is supposed to make an appeal this weekend. Regrettably, he was not able to obtain a Canadian Visa. Therefore, he will be unable to make the appeal at our parish. Nonetheless, our parish would like to continue to support them, thus, we will still take up a second collection for the benefit of the mission works in the Diocese of Singida in Tanzania. Your support of the global missionaries will be greatly appreciated."
